

CONVERTING SPACE

These slides may be of some use to go along with the outline from *Converting Space* on the NAAC website.

They were used as part of the 2011 NAAC Gathering workshop on “*Converting Space*” led by Dan Benedict.

GRACE EPISCOPAL ALLENTOWN PA ROBUST BAPTISMAL THEOLOGY

Grace Church is **what** it is because of **where** it is. At the corner of Fifth and Linden, the people of Grace Church have heard God's outrageous promises and have seen them fulfilled. As a response, they have committed themselves to proclaiming in word and action God's boundless Grace. <http://associatedparishes.blogspot.com/>

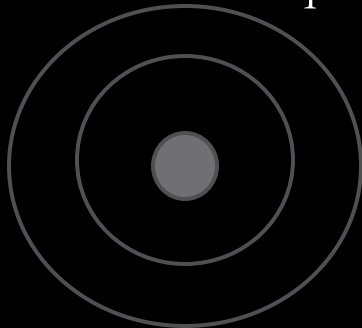

TRADE OFFS FOR WORD AND SACRAMENT

Hearing requires straight sight lines and good audio.

Sacraments require proximity and active participation.
